CS 1102 Unit 1 Programming Assignment Solution

Answer:

import javax.swing.JOptionPane;

public class SuperPower {

        public static void main() {

                String power = JOptionPane.showInputDialog("What is your super power?");

                power = power.toUpperCase();

                JOptionPane.showMessageDialog(null,power+" TO THE RESCUE!");

        }

}
